

### **Alberdingk Boley, Inc Appoints Bleisteiner President**

Greensboro, NC  
January 25, 2008

ALBERDINGK BOLEY has appointed Paul Bleisteiner president of Alberdingk Boley Inc., the USA division of the global resin supplier. In this position, Bleisteiner will be responsible for further market penetration of Alberdingk Boley, Inc into the North American coatings market and the continued high growth rate of sales and production from the North Carolina facility. Prior to joining ABI, Bleisteiner was in the automotive industry as president & CEO of Mehler Engineered Products, Inc. A native of Germany, Bleisteiner will be relocating from his current home in Charleston, SC to Greensboro, NC immediately.

Alberdingk Boley, Inc., a Greensboro, NC based company headquartered in Krefeld, Germany, specializes in waterborne resin technology for the coatings, adhesives and printing inks industries.
